Pform

self adhesive vinyls + laminates

PRODUCT DATA SHEET

Super

Applications

Retail

Building Facades

Description

Pform Super is a high-opacity monomeric film designed for window graphics where a white reverse side is required. The white backing blocks show-through and delivers an exceptional white point for vibrant printed graphics. A clear ultra-removable adhesive allows easy positioning during installation. Ideal for retail windows and promotional displays.

Features & Benefits

- 100-micron film – 25% thicker than standard 80-micron SAV for improved handling.
- High opacity – Prevents show-through at overlap joins for a consistent finish.
- Low tack adhesive – Easy application and removal for short-term campaigns.
- Clear adhesive, white reverse – Ideal for window decals where the back is visible.
- Versatile print compatibility – Vibrant results with UV, Latex and Solvent inks.

Durability

1 year in Southern Australia. Clean removal within 12 months

Technical Information

Graphic Colour: White
Film Finish: Gloss
