CONTINENTAL GRAFIX

PRODUCT DATA SHEET

Megaview

Applications

Description

Swiss-engineered by Continental Grafix, Megaview is a high-quality perforated window film for short-term (1 year) promotional graphics. Designed for campaigns and retail applications, it delivers vibrant print performance while maintaining clear visibility from the inside looking out. Available in 20%, 40% and 50% perforation patterns.

Features & Benefits

- High-impact window graphics – transforms glass into valuable advertising space while retaining visibility from inside.
- Up to 1-year durability – ideal for short-term promotions, seasonal campaigns and temporary branding.
- Promotional grade – designed for shorter campaigns where budget is a key consideration.
- Available in 20%, 40% and 50% perforation patterns – balances graphic impact, visibility and natural light to suit the application.
- Available in 1372 mm and 1524 mm widths – accommodates a wide range of window sizes.
- Printable with UV, solvent and latex technologies – compatible with the major wide-format printing platforms.
