Pform

self adhesive vinyls + laminates

PRODUCT DATA SHEET

High Tack PP SAV (PVC-Free)

Applications

Retail | Difficult Surfaces | Hoarding

Description

Pform PP High Tack SAV is a PVC-free polypropylene (PP) self-adhesive film designed for demanding applications where strong adhesion is required. Ideal for hoardings and difficult surfaces, it features a powerful high-tack adhesive while delivering vibrant print performance across UV, Latex and Solvent technologies. 100% recyclable at end-of-life via the Visionary Green program.

Features & Benefits

- PVC-free polypropylene – Alternative to conventional PVC self-adhesive films.
- High tack adhesive – Strong adhesion for demanding applications and difficult surfaces.
- Block-out film – Conceals underlying graphics and prevents show-through at overlap joins.
- Matte finish – Reduces glare for clear, easy-to-read graphics.
- Versatile print compatibility – Vibrant results with UV, Latex and Solvent printing.
- Visionary Green recycling – Recyclable through our program for conversion into Gboard.

Durability

1 year in Southern Australia. Clean removal within 12 months

Technical Information

Adhesive Colour: Grey
Adhesive Type: High Tack
Liner: Double PE liner
Graphic Colour: White
Film Finish: Matte
Material type: PP (Polypropylene)
Thickness: 80 micron

Applications

- Construction and retail hoarding graphics.
- Retail signage and promotional displays.
- Printed graphics over existing signage.
- Large-format graphics requiring overlap joins.
- Difficult-to-adhere surfaces, subject to adhesion testing.
- Signage with end-of-life recycling requirements – diverted from landfill through the Visionary Green recycling program.

Warranty

Pform products are warranted to be free of defects in material and manufacture at the time of shipment and to meet the specifications stated in the technical specification sheets. We will replace or refund the price of any Pform materials found to not meet our product specifications. In no case shall Pform or Visionary Digital be liable for any direct, indirect, or consequential damages, including labor or non Pform materials charges. The determination of suitability of this product for any specific use is solely the responsibility of the user. No representations, guarantees or warrantees of any kind are made to the accuracy of suitability for specific applications.
