Pform

self adhesive vinyls + laminates

PRODUCT DATA SHEET

Promo-Tex

Applications

Retail | Wall Graphics | Exhibition Floors | Carpet Graphics

Description

Promo-Tex is a direct-print self-adhesive floor media designed for vibrant indoor floor graphics on smooth hard surfaces. Featuring a built-in R10 non-slip certified surface, it eliminates the need for overlamination, enabling faster production and installation. Ideal for retail promotions, wayfinding and point-of-sale campaigns, Promo-Tex delivers excellent print performance with clean removability and outstanding value for short to medium-term applications.

Features & Benefits

- Direct-print surface – No lamination required, reducing production time and cost.
- Textured, slip-resistant finish – R10 non-slip certified for indoor floor graphics.
- Carpet adhesion – Turns carpeted areas into valuable advertising space.
- Versatile applications – Suitable for floor and wall graphics across multiple indoor surfaces.
- Cost-effective graphics – Ideal for short-term promotions and campaigns.

Durability

1 year in Southern Australia. Clean removal within 12 months
